All Advertiser content remains the property of the Advertiser.

Badassery Unleashed Magazine does not under any circumstances claim copyright or ownership of Advertiser content.

However, Badassery Unleashed Magazine reserves the right to use Advertiser content as it sees fit and deems necessary, this includes using said content for promotional purposes use outside of the magazine publication (*Social Media, email, etc*).

Advertisement graphics are to be High-res (*jpg. or png.*)

All advertisement graphics and content must be made available to the team at Badassery Unleashed Magazine no later than close of business (*Australian Eastern Time*) 25th of the month.

Late submission (*received after C.O.B. 25th of the month*) means you have forfeited your opportunity to advertise in our magazine, along with any funds paid, for the period paid. No refunds will be provided. No credits will be extended.

To get maximum ad exposure, Advertisers are encouraged to promote the Badassery Unleashed Magazine issue in which your advertisement appears to your social media platforms (*Facebook, Instagram, Twitter, etc.*) and your email list at least 4 x per month/issue. As a paid advertiser, you will be provided relevant graphics and links so you can do this.
